HOW TO UPLOAD PHOTOS AND VIDEOS USING UPLIST™

1. Login to Uplist™ using your Machines4U account details
2. Hit 'Manage Ads' to view your live listings or hit the 'Post an Ad' button to start a new listing
3. Scroll down and click 'Edit' on the listing of your choice
4. Scroll down to your photos or video section
5. Click 'Add Photos' then click the green + button to choose whether to upload from your gallery or take a photo with your camera. Make sure to hit 'Save Photos' once finished.
6. To upload a video click 'Add Video'—you can then choose whether to take a video with your camera in the Uplist app, upload from your gallery, or embed a YouTube or Vimeo video. Make sure to hit 'Save' once finished.
7. Once everything is done, hit 'Save' in the top right corner.
